☐ **SS-31 — 10 cc** — daily · mitochondrial protection + energy · 20 days

 Important reminders:

- **Armour Thyroid** must be first — empty stomach, 1 hour before eating anything.
- **SEMÁX + SELAN** — do not take after 4pm, it can affect sleep.
- **G.I. Detox+** — take on empty stomach, separated from other meds by 1-2 hours so it doesn't bind them.
